It is reported that the City of Archez has made available to the residents a new municipal service: "**ArchezInforma**".

From now on all parties, announcements, news, municipal information of the Town Hall can be received immediately through your mobile.

How to enjoy the municipal service?

If you have an Android phone you can download the app in 3 different ways:

In Google Play (Play Store), looking for the app as "ArchezInforma".

- Through the following address: [https://play.google.com/store/apps/details? Id = es.bandomovil.archez.informa](https://play.google.com/store/apps/details?Id=es.bandomovil.archez.informa)

-Using the QR code in the upper left corner of this ad.

If you have an iOS phone (iPhone) you can download the app in 3 different ways:

In App Store looking for the app as "bandomovil".

-With the following address: [https://itunes.apple.com/us/app/bandomovil/id1049832681?](https://itunes.apple.com/us/app/bandomovil/id1049832681?L=en)

L = en

-Using the QR code in the upper right corner of this ad.

Once the app is installed in iOS, the service will start by entering the postal code of the municipality adding a zero at the end.

Neighbors who do not have compatible terminals, such as those who use Blackberry or Windows Phone, can consult all the municipal information that the city council publishes from the following website adapted to mobile phones:
